Dear Sirs,

OKO Association and the Science and Technology Complex "E.O.Paton Electric Welding Institute" invite you to take part in the 9th Conference and Exhibition "Non-Destructive Testing – 2007", which are to be held from 16 till 19 April, 2007, in Kyiv at the Exhibition Center "KyivExpoPlaza" located at 2-b Salyutnaya Street, Kyiv, Ukraine.

The Conference and Exhibition will be held within the framework of the "Week of Industrial Technologies" together with exhibitions "Welding. Related Technologies", "Pipeline Transport", "Industrial Painting and Corrosion Protection", and "Industrial Technology".

The goal of the Conference and Exhibition is to stimulate exchange of scientific-and-technical information, world-wide achievements in the field of non-destructive testing, methodical developments, finding of promising ways of cooperation in development of new equipment and technologies, development of collaborative research projects, and establishment of business contacts and commercial relations in the field.

The Conference and Exhibition are supported by: Ukrainian Society for Non-Destructive Testing and Technical Diagnostics, E.O.Paton Electric Welding Institute, National Atomic Power Generation Company "Energoatom", State Railway Transport Administration "Ukrzaliznytsya", Ivano-Frankovsk State Technical University of Oil and Gas, National Aviation University.

The following sessions are planned to be held at the Conference:

Nuclear Power Generation	Machine Building
Metrology and Certification	Railway Transport
Aviation	Oil and Gas
Workshop "X-ray Inspection in Industry"	

Topics of Exhibition «Non-Destructive Testing - 2007»:

Ultrasonic testing	Liquid-penetrant testing
Acoustic emission testing	Magnetic methods
Eddy current testing	Thermal inspection
X-ray inspection	Vibration-based diagnostics

We invite your company to present your products at the Exhibition, take part in the Conference, and make presentations.

Financial conditions for participation

In the Exhibition:

- Cost of the equipped exhibition floor area – 135 Euro/1 m²
- Participation in the Exhibition for users of NDT equipment and technologies is free

In the Conference:

- Fee for making presentation at the Plenary Session or at one of the sessions of the Conference (at speaker's option) and its publication on the Conference Proceedings – 270 Euro
- To participate in the Conference it is necessary to pay a registration fee of 100 Euro

To get acquainted with the topics, character and principles of organization of the Exhibition, you are invited to visit our site www.ndt.com.ua, where you can find report on the previous 8th Conference and Exhibition "Non-Destructive Testing".

In case you find it interesting, please inform us of your decision not later than 01 March 2007.

If you need any additional information, or if you have any questions, do not hesitate to contact us.

Sincerely Yours,
Lutsenko G.G.
Chairman
Organizing Committee
